

Over the Summer Sea.

Verdi

Briskly.

1. O - ver the sum-mer sea, With light hearts gay and free, Joined by glad min-strel-sy,
 2. List to my roun-de-lay As we glide on our way; Ne'er will my love de-cay,
 3. Hark! there's a bird on high, Far in yon az-ure sky, Fling-ing sweet mel - o - dy,

Gai - ly we're roam-ing; Swift flows the rip-pling tide; Light-ly the zeph-yrs glide;
 Ne'er will I leave thee; While o'er the wa - ters deep, Now our oars gai - ly sweep,
 Each heart to glad-den; And its song seems to say, "Ban-ish dull care a - way;

Round us, on ev - 'ry side, Bright crests are form-ing. Fond hearts en - twin-ing, Cease all re -
 True in the time they keep, What then can grieve thee? Fond hearts en - twin-ing,
 Nev-er let sor-row stay, Brief joys to sad - den." Fond hearts en - twin-ing,

pin - ing; Near us is shin - ing Beau - ty's bright smile.
